SPECIAL GUIDED TOUR: Crystal-Clear Vistas

Experience a whole new kind of city tour that will leave you spellbound with wonder. The binoculars from SWAROVSKI OPTIK let you dive into a world of hidden detail and experience Innsbruck from an entirely new viewpoint.

So grab your binoculars and come along with us on a fascinating journey of discovery: frescos seem to come to life, and remote points – like the Bergisel and the Seegrube – seem to come so close, you could practically reach out and touch them.

Duration: about 2 hours

Meeting point & start:

Swarovski Innsbruck
Herzog-Friedrich-Straße 39
6020 Innsbruck
