SPECIAL GUIDED TOUR:
Crystal-Clear Vistas

SPECIAL GUIDED TOUR: Crystal-Clear Vistas

The smallest details tell the biggest tales: Experience a whole new kind of city tour that will leave you spellbound with wonder. The binoculars from SWAROVSKI OPTIK let you dive into a world of hidden detail and experience Vienna city center from an entirely new viewpoint.

So grab your binoculars and come along with us on a fascinating journey of discovery: Frescos seem to come alive, and remote points like the towers of St. Stephen's Cathedral or the Giant Ferris Wheel seem to come so close you could practically reach out and touch them.

Duration: 1½ – 2 hours

Meeting point & start:

Swarovski Wien
Kärntner Straße 24
1010 Wien

www.swarovski.com/vienna
